

Conflict of Interest Policy

High standards of objectivity, integrity, fairness and honesty must characterise The FITS Foundation's relationship with learners and their employers.

The FITS Foundation will ensure that no member of staff will be provided with the opportunity to gain any personal or financial benefit that would lead to the integrity of the awards being compromised.

The FITS Foundation's Policies and Procedures will be designed to maintain The FITS Foundation's reputation for integrity and protect staff from accusations of partiality in commercial and personal matters.
